

Ordering Homeschool tickets online:

*To have a more expeditious purchasing experience on August 5th, we highly recommend creating your patron account online before the purchasing date if you don't already have one (**you will need an account to buy tickets, and you can create an account in advance without purchasing tickets**).

1. Visit pac.uga.edu and click on “**BUY TICKETS**” toward the top right of your screen (if you are purchasing on a mobile device, you will be to click the three lines in the right corner to find “**BUY TICKETS**”)
2. Next, click on the tab that says “Performances for Young People”
3. When you choose your events and go to check out, you will need to either login to your account or create an account to continue (again, we suggest creating your account ahead of time).
4. Once you place your order, you will receive an order confirmation to the email on file with your order. Homeschool tickets will be sent as mobile tickets this year, and your tickets will be scanned at the door on the day of the performance.
5. **REMINDER:** To make purchasing fair, purchases are limited to 6 tickets per event, and no order can have more adult tickets than child tickets.
